I am a co-founder and Chief Technical Officer of Baton Corporation Ltd. The other co-founders are Noah TWEEDALE and Alon COHEN. Our most popular part of the business is a website called pump.fun.

Users like the website as they can make money trading memecoins, and there is always the chance that a memecoin they invest in can go to Raydium where they could potentially make much bigger gains in the wider blockchain. Additionally, it's fun for them to be part of the
